January, 2015

Dear Sponsor,

Firstly the In Bloom group would like to thank you for sponsoring a tub during 2014. Without the valued support of our businesses Kirkbymoorside would certainly not be the visually welcoming environment that it is.

During the last year our floral enhancements marked the arrival of the prestigious Tour de France cycle event and the 50th Centenary of Britain in Bloom. We certainly grew for Gold.

In the regional in Bloom competition we enjoyed continuing success with a Silver Gilt Award. A great deal of hard work and commitment goes into the preparation for these competitions and we have decided that, for this coming year, we are giving ourselves a breathing space in order to consolidate and extend some of our schemes and planting. We will then be fully recharged to maintaining Kirkbymoorside on the horticultural map for the following year's entries.

Our very popular Open Gardens' Event is scheduled to run again this year; please do look out for publicity and information. New entries would be particularly welcome. Continuing support of our plant stalls and coffee mornings is greatly appreciated. New members and volunteers are especially welcome as we gear ourselves up a notch or two.

Your continued sponsorship is also greatly valued. We would be delighted to receive the slip below together with your cheque made payable to Kirkbymoorside In Bloom. Thank you once more and we look forward to your early reply.

Yours Sincerely,

Gaynor De Barr, Chairman Kirkbymoorside In Bloom
