Y&NYPRA

THE YORK & NORTH YORKSHIRE PLAY AND RECREATION ASSOCIATION

6 July 2017

Dear All

Further to the Ryedale Five Towns meeting may I take this opportunity to thank you for allowing me to attend to discuss the resurrection of the former York and North Yorkshire PFA. The new project, the York and North Yorkshire Play and Recreation Association (Y&NYPRA) is now up and running and we look forward to working with you all.

Our offer will be to assist in both funding and planning issues, business plans and most importantly public consultation which will play a key part in whether you are successful in obtaining funding for your projects.

The projects we will cover will be to create better, more exciting and challenging play spaces, youth projects (skate parks and MUGGA's) youth and adult fitness trails/outdoor gym equipment and nature trails & new Village Hall Projects.

The key aim of the association will be to work with communities to encourage children to engage with the great outdoors.

We will be having an official launch in September and watch out for our first quarterly newsletter & website, in the meantime if you have any projects where you would like the help of the association please do not hesitate to get in touch.

Yours faithfully
