

Dear Parish Clerk

Parish Council Tax Base for 2014/15

Further to the recent discussions at the Parish Liaison I am able to share with you the draft calculation of your Council Tax Base. The only way in which this figure will change is if Ryedale District Council members decide to make changes to the Local Council Tax Support Scheme at its meeting on the 9 January 2014. For information officers will not be recommending any change to the scheme. You will be contacted should any changes be made.

The Council Tax Base for every Parish Council has changed and the full list is attached showing the base for the current year and the base for next. There are a number of reasons for this change detailed below. It is highly unlikely that in future years any Parish base will be unchanged:

- In some parishes there have been new properties brought into Council Tax and there are also assumptions around properties that will be added to the list in the remainder of the current financial year and during 2014/15.
- The Council has made changes to Council Tax Discounts for 2014/15 which affects the amount that will be received by the Council. Changes to the numbers of people claiming a discount, including the single persons discount will also affect the base.
- The estimated cost of the Local Council Tax Support Scheme by Parish (formerly Council Tax Benefit) has to be deducted from the base. Clearly the number of claimants and amounts in a parish will vary year on year. There is only one parish with no current claimants.
- The collection rate has been reviewed and increased for next year.

I have also included in the attached the amount of Parish Grant you will receive next year. Members have agreed to halve the amount payable in 2014/15 and remove the grant completely in 2015/16 following the consultation which took place over the summer. The grant was only paid to those parishes which were adversely affected by the introduction of Localised Council Tax Support.

Mandy Burchell will be sending your usual Parish Precept Form shortly, requesting you Parish/Town Council precept requirement for 2014/15.

If you have any queries with the above please contact Faye Snowden in the first instance.

Yours sincerely, Paul Cresswell Corporate Director (s151)
