Hi Lisa

Further to our site meeting we wish to confirm our Quotation to install Gas Sub-Meter/s at the above as follows;

To supply and fix a Gas Sub-Meter in the pipework serving the Recreation Area of the Building, for the sum of....£546.00+VAT.

The additional cost to install a separate Sub-Meter serving the Heaters in the Changing Rooms at the same time would be....£174.00+VAT

Trusting this is of interest.

Regards

Ian Adamson
