

The Kirkbymoorside Town Council.

10th April 2014

Dear Cllrs,

Further to my application of 2 years ago I wish again to apply for the position of Town Councillor.

I am married and live with my wife within the Town and have been resident for the last 2 years.

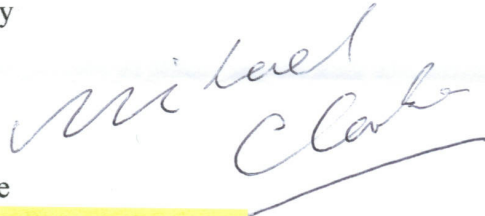

I help to run 2 businesses having in the past traded in three other Market Towns which I believe has given me some experience of trading conditions in similar circumstances to this Town.

I have represented Horncastle, a Lincolnshire Market Town of 15,000 people as their County Councillor, and represented the District as Ward Councillor, also spent many years as Town Cllr. in another local Town of 8,000 residents.

I have been CIPFA LGAudit trained and have been on the panel of regional and district Standards Boards.

I believe my experience in these positions may be helpful within your Town Council, together with my commitment to Kirkbymoorside and its Social and Economic vitality.

Yours faithfully
