I can confirm that since we last contacted you we have awarded contracts and that the services will continue to be operated by Stephenson's of Easingwold. The new services will commence on 1 February 2015, in the majority the services will operate unchanged or with minor time table changes.

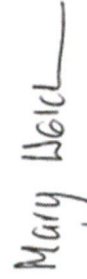

However on service 181 the 0720 from Welburn to York will now commence at Sheriff Hutton at 0743 and the 1740 from York to Bulmer will terminate at Sheriff Hutton at 1832 without a demand responsive section to Bulmer.
