**d. To agree the appointment of an internal auditor**

In compliance with the Financial Standing Orders Auditors A and B are competent and independent of the operations of the Council. Professional Indemnity Insurance and references have been provided.

Auditor A £147 no VAT

Auditor B £350 plus VAT

**9. To review the revised Community Infrastructure Levy Draft Charging Schedule and consider an appropriate response**

Dear Sir/Madam

The District Council has revised its Community Infrastructure Levy Draft Charging Schedule. The Council consulted on the Draft Charging Schedule in the summer of last year. In response to some of the representations received, the Council has reassessed supporting viability work and has revised the Draft Charging Schedule. The revised Draft Charging Schedule has been published for consultation prior to it being submitted for independent examination.

The consultation covers the period Wednesday 4 March 2015 – Wednesday 15 April 2015. As a CIL consultation body, I enclose for your attention

- \* A copy of the Draft Charging Schedule (Revised)
- \* A statement of the representations procedure

The District Council would very much welcome any comments you wish to make on the Draft Charging Schedule. The Draft Charging Schedule is supported by relevant evidence, including viability assessment which can be viewed at [www.ryedale.gov.uk](http://www.ryedale.gov.uk) or at the Council's main office, Ryedale House, Old Maltongate, Malton, YO17 7HH (Monday –Friday 9.00am–4.00pm). You may wish to refer to this evidence to support any representations you make. A representation form is also available on the web-site to assist you in making representations.

Following the consultation, the District Council intends to submit the Draft Charging Schedule for examination. The supporting evidence and representations received during this consultation will also be submitted to the person appointed to examine the Draft Charging Schedule.

If you have any queries regarding this consultation, please do not hesitate to contact me at the above address.

Yours faithfully

J Thompson  
Forward Planning Manager

#### **10. To consider and agree to roll out a Canine Watch Initiative and agree expenditure up to £500**

Kirkbymoorside is not alone in experiencing problems when it comes to irresponsible dog owners allowing their dogs to foul the pavements and pathways. But by rolling out the Canine Watch initiative we will be one step ahead!

The principal is very simple, as a responsible dog owner or as a resident who takes pride in Kirkbymoorside you simply have to display the 'Canine Watch' symbol in your window, be it shop, car, home, we're not fussy! This will demonstrate that you endorse the initiative and with the support of the other group members you are prepared to ensure that the streets and paths of Kirkbymoorside are kept free of dog mess.

Most people are disinclined to approach someone who they have seen behaving out of order as it is our nature to avoid confrontation, however, by being part of the Canine Watch group you can report the incident of dog fouling in confidence and know that you have the backing of like minded individuals who will support you. It will be the irresponsible dog owners who stand alone!

The initiative has the support of the Ryedale District Council Dog Warden and it is our hope that by working together we can make a positive impact.

Below is a draft logo for the initiative.

**11. To agree the purchase of 10m3 of 8-40mm Play Grade Bark at a cost of £562.20 + VAT**

Bark Suppliers	3 pallets (10.8m3)	£562.20 + VAT
Park Lane Playgrounds	10m3	£870 + VAT
AHS Ltd	3 pallets (10.8m3)	£580.50 + VAT

All quotations include delivery and are for the specified 8-40mm Play Grade Bark.

**13. To review the honorarium for the winding of All Saints' Church Clock, currently £100 per annum**

ALL SAINTS CHURCH - ANNUAL PAYMENT FOR CLOCK WIND-

**Subject:** ING

**Date:** Mon, 2 Mar 2015 09:09:30 -0000

Hi Lisa

I've been asked to remind you that this is now due for payment. I've also been asked if the council would review the amount paid, as it works out at less than £2 per week and it takes at least half an hour each week.

Best wishes

Anne Warriner

**15. To note that a non-competitive Cycle event, the 'Daffodils Cycle Ride' will pass through the area on 18th April 2015**

**Subject:**Kirkbymoorside Town Council: Daffodils Cycle Ride 18th April 2015

**Date:**Wed, 4 Mar 2015 19:56:28 +0000

Hi,

I want to advise you of a non-competitive Cycle event which will pass through the Parish on the 18th April 2015.

We ran the event in the past 2 years without any issue however we are doing as much work as possible to make people aware of the riders passage for both their and the public safety and to avoid any conflict on the roads.

It's known as a Sportive, riders follow one of 3 routes from Thirsk, it's strictly not a race and no prizes are given.

We do place route signs around the route, these are correx boards with our logos on them which we zip tie to the existing sign posts. These are put up on the day before the event and taken down on the day of the event. We appreciate they are an eyesore so remove them as quickly as possible, usually as soon as the last rider has passed. We make sure the zip tie is removed and not littered.

We anticipate 500 riders in the event, it will start from Thirsk at 08:00. Riders depart in waves of around 100 until 09:00 when the start is closed. There will be a noticeable number of riders in the area all day however once away from the Thirsk start, they are well spread out.

The riders are all briefed about conduct and safety and any issues are addressed with the up most seriousness. We have trained motor cycle marshals out on the course to aid safety, they do not have powers to stop traffic, they can only raise awareness and stop riders.

Could you please pass the notification to the parish so that as many people are aware of our presence as possible, we really want to maintain a good relationship and a safe passage for the riders and residents.

We are a local organisation as are most of the riders. Our participants are mostly families, people new to the sport and lots doing it for a challenge, to get fit or even raise money for charity.

I'd welcome any feedback of course.

Many thanks,  
Richard.
