Dear Town Clerk,

I write to re-introduce Ryedale Lions as an organisation which aims to support the local community needs either financially or through physical support.

The Service Section has recently been reorganised, having been split into two hubs to focus on local needs and issues. The pertinent section is the Helmsley / Kirkbymoorside hub.

If the Council becomes aware of a non-profit making organisation that needs support of a specific nature or of individuals in specific need, please feel free to pass on our details and we will try and accommodate.

Yours faithfully

Stuart R.H. Brown

Chair of Service Committee
