Dear Lisa Bolland,

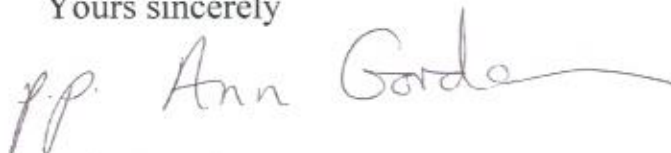

We are writing to thank you so much for helping Next Steps with your kind donation. We have most gratefully received your payment of £1040.00 that will help us to support the people who attend the Kirkbymoorside drop in and who suffer with Mental Health issues, also their families and carers.

This grant will support the 'Kirkbymoorside Hub' and continue to reduce the stigma of mental health, to make friendships including support mechanisms and reduce isolation and loneliness in Kirkbymoorside.

Please extend our gratitude to everyone involved in raising funds for Next Steps and helping us to support the people in the Ryedale Community who suffer with Mental Health issues, are isolated/lonely, their families and carers.

Thank you so much once again.

Yours sincerely

Leisa Burniston
Service Manager
