Kirkbymoorside Town Clerk.

Kirkbymoorside Library/Literary Institute, York YO62 6AZ.

Dear Lisa,

Although I would expect the North Yorkshire Highways Authority are responsible for the condition of our roads in the countryside I'm sure our Council Members will have some say in the repair and maintenance of our town roads.

As you know Tinley Garth is a significant route into town from West End being the alternative to West End where it is often difficult to compete with busses and other traffic from the west.

My particular complaint is about the potholed condition of Tinley Garth at the junction with Shaw Drive. Similarly, having been left in poor condition some time ago, after the botched repair following the installation of a new gas main along the stretch from the Tinley Garth junction to West Pastures receives only occasional patching. This falls short of the condition we would expect for this significant route into Kirkbymoorside town centre.

Please raise this subject with our council members and feel free to place this letter in the Town Web Site.

Yours sincerely,

*John*
