13th March 2018

Dear Lisa

The Bowling Club committee has asked me to enquire if the town council would consider reimbursing the Club with the £200 penalty the Club has been charged by HMRC for the late registration of the Lease with the Land Registry Office.

It was overlooked owing to my ill health at that time and the paperwork was only recently passed over to Kitchen Walker solicitors. They have advised me there is little prospect of successfully appealing to the HMRC for it to be waived.

Nothing in the paperwork from yourselves or your solicitors suggested there would be a penalty for late registration and it would certainly have been passed for registration had I been aware.

Best Regards

Alice
