RE – DEFIBRILLATOR RELOCATION

Thank you for your enquiry regarding the installation work detailed above.

Our fixed price quotation for carrying out the work required, as specified is:

£268.00 plus VAT at the standard rate (currently 20%)

The completed electrical work will comply in full with the latest edition of I.E.E safety regulations and our own high standards of workmanship.

A certificate providing details of the electrical work carried out and test results will be issued on completion of the work.

The price quoted will remain firm for a period of 60 days from the above date.

I hope this quotation is acceptable and look forward to your reply.

Yours sincerely
For C W Strickland & Son

SPECIFICATION

Remove the Defibrillator from the George and Dragon Hotel

The Defibrillator will be unplugged and removed from the wall. No allowance has been made to make good the wall

Install the Defibrillator at the Moorside room externally to the right of the Notice board

The supply will be taken from the Kitchen socket circuit via an unswitched fuse outlet. The cable will be drilled through the external wall and routed to the defibrillator in black pvc conduit

The circuit worked upon will be inspected and tested and a certificate provided on completion

An installation and commissioning manual will be required before our installation. There is only a user manual inside at present
