- ONLY a one-way system can stop the problems, and STOP opposing traffic flows continuig to unlawfully mount the pavements.
- ONLY by supporting a 20mph limit, and HGV restrictions on residential streets, will pedestrians be safe(for BOTH West End and Tinley Garth)
- ONLY by speaking up together, now, for action will we get the attention and funding BEFORE a collision or personal injury
- Would YOU have an occasional hour to spare to help with the speed camera and traffic survey?
- Do YOU have an opinion to share, privately by email, or at a public meeting?
