11<sup>th</sup> August 2020

Dear Lisa,

I am writing to formally thank the members of Kirkbymoorside Town Council for their very kind and generous grant to Ryedale Community Transport.

As a charity we have felt the brunt of the Covid-19 pandemic and have, despite all pressures kept our essential services going for the residents of the District. This grant which is designed to allow us to withstand the additional burden of extra drivers costs, will ensure that we are able to operate at full capacity in the weeks and months ahead as we move towards an easing of the lockdown restrictions and be able to meet the predicted increase in medical journeys for Ryedale residents.

Please be kind enough to record our grateful thanks to your members.

Yours sincerely

Ken Gill  
Chief Officer
