24th September 2020

To: The Chief Planning Officer,

Dear Sir

I am writing as a present householder in Keldholme, having lived here for the past twelve years to support the Sugars/Bradstone application for change of use for Kraig Lane, Keldholme.

I can see no reason to object to a habitation on that site as it is already a building and is to most people well out of sight.

Personally I would be delighted to have John Sugars and his partner Carrie Bradstone as neighbours in Keldholme, I have known John for over ten years through golf. John's work for the Salvation Army and Carrie's position as a councillor for Pickering would make them an asset to the village of Keldholme.

May I add that all that know John and Carrie understand the problems that their daughter Ruby endures, and we are all pleased to hear that there is the possibility of a bungalow to give her a better quality of life and be of tremendous help to her parents and carers.

Yours Sincerely
