To: Chief planning officer, regarding residential planning application, Craig Lane, Sugars / Brackstone.

Dear Sir / Madam,

I am writing in support of the above application, to allow Carrie Brackstone and family to turn the above property into a home. I have been living here for over 4 years and cannot think of a reason that this would have a detrimental impact upon anyone living nearby. Carrie especially needs a more suitable house to raise her disabled daughter and this building is perfect being on one-level and away from busy Pickering. The family has been looking for a more suitable place to live and this is all they could find, the property market not being able to meet their needs, plus this building has been unused for some years.

They are a lovely family, we know them for 3 years or so, and would be a welcome addition to

our town and community. Please let this happen,  
it will be good for everyone.

Yours Sincerely
