06 August 2021

Dear Sir,

**River Dove Natural Flood Management Feasibility – Extension**

Thank you for the start up meeting for the project. As discussed JBA have calculated the budget implications for the extension of the scope of the assessment to include Manor Vale so that the whole Kirkbymoorside catchment is assessed.

The additional natural flood management potential assessment will cover the catchment upstream of Manor Vale as outlined on the map below and within the existing project programme starting from the start up meeting (03/08/2021).

Extent of flooding from surface water  
 ● High ● Medium ● Low ○ Very low

**Costs**

The cost of this work is **£615 excluding VAT**.

**Terms and Conditions**

This would be a direct extension onto the original project budget as outlined in our letter (KIR-JBAU-00-00-QU-EN-0001 - 06 July 2021) using the JBA Standard Terms and Conditions.
