Additional information provided by Darren Kendell:

I asked Charlie's friends/work mates about his favourite colours and black and pink seemed to be his favourite so if the Town Council had no objections to this colour scheme being used then that's what I will do.

I will visit the park annually during the summer holidays to maintain the benches at no cost both structural/painting.

If the Town Council decide that a neutral timber treatment would be preferable I will still maintain the benches annually.

Charlie was a good friend to my daughters so it will be an honour to maintain them.

10. 20's Plenty for Us

a. To receive information on the 20's Plenty for Us campaign

b. To consider support of the campaign for a 20mph speed limit on roads in areas where people live, work and play in North Yorkshire

Motion

Kirkbymoorside Town Council

- Supports the *20's Plenty for North Yorkshire* campaign;
- Calls on NYCC to implement 20mph in Kirkbymoorside and
- Will write to NYCC to request 20mph speed limits on streets throughout North Yorkshire where people live, work, shop, play or learn, with 30mph as the exception on those roads, where full consideration of the needs of vulnerable road users allows a higher limit.
