13. To note the requirement for Voter ID in the May local elections

Voter ID in the May local elections

From 4 May 2023, voters in England will need to show a photo ID to vote at polling stations in some elections. This will apply to local elections, Police and Crime Commissioner elections, UK parliamentary by-elections and recall petitions. From October 2023, it will also apply to UK general elections. The Electoral Commission's [public awareness campaign on photographic voter identification](#) for the May 2023 elections is now up and running. Alongside a mass advertising campaign across mixed media, the Electoral Commission has produced [voter ID resource packs](#) for partners, including councils, to use to help amplify messages to under represented groups. Councils can access the Electoral Commission's broader Your Vote Week [campaign resources for educators](#) and sign up for the Your Vote Week campaign to receive general resources.
