

Statement of Interest in the Town Councillor Vacancy

Dear Kirkbymoorside Town Council

I am interested in serving as a Town Councillor.

I have lived and worked in Kirkbymoorside since 1994. I represented the Kirkbymoorside ward in my capacity as a District Councillor for four years and was on the Policy & Resources and Planning Committees.

I believe that I have an understanding of the area. My belief is that the town should be fully representative of the people and their wishes.

Regards

Tony Riby
