Information for the meeting on Monday 19 June 2023

10. To consider the request by Ryedale Skate School for permission to hold skateboarding lessons at Old Road skate park (application supported by provision of associated accreditations and Skate Board GB Member Public Liability)

Date: Fri, 26 May 2023

Subject: Skate School Permission & Details

Hello, as you are probably aware I have set up some skateboarding classes. This is a letter asking permission and also sending you the relevant information you require and need regarding my public liability and certificates. The skate school will be a popular and successful class and group, teaching children and families of all ages not just how to skate properly but also use the skatepark correctly and look out for it. Teaching skatepark etiquette is a priority and will really help the town's social behaviour issue.

Ryan Swain SBGB Member Public Liability details:
