- b. To consider the cost of £6,520.99 + VAT for repairs to the footpaths throughout Old Road play area

With regard to your query around resurfacing the footway in the Old Road play area. I can confirm the price for the works would be £6,520.99. For clarity, the price does not include for VAT.

The works would involve edge repair to remove the existing cracks on the surface, then an overlay on the existing footway. This will remove the existing cracking and provide a solid, newly surfaced footway through the play area.
