\* Other Charges may include FIT's, Capacity Market or additional industry charges excluded from your proposed energy rates.

\* The costs calculated above are for illustrative purposes only and may vary in line with your energy consumption.

\* As a TPI, we are paid a fee for our services by means of a commission, paid to us by the supplier, over the contract duration and based on consumption, which may vary.

\* The above quoted prices are only valid upon acceptance by the chosen supplier.
