**Kirkbymoorside Town Council**  
**Information for the meeting on Monday 15 September 2025**

**Wildflower designated verge at junction of West Lund Lane and A170**

In Bloom planter framed by uncut grass and weeds at junction of West Lund Lane and A170. The planter is not visible from the A170, on both east and west approach to the junction due to the overgrown grass.

Uncut verges within the town limits give the impression that the town is untidy, neglected and unkempt despite the considerable efforts of the In Bloom group in the public spaces and residents that keep their gardens and verges looking so beautiful throughout the town.
