
Kirkbymoorside Town Council

Information for the meeting on Monday 20 October 2025

15. To consider the 'Health & Safety Maintenance Package' offered by Sovereign Play at a single cost of £399 per site for 5 years coverage with biannual inspections

5 Years coverage with 2 inspections per annum	£399+VAT one time on-boarding fee, per site
---	--

Following your conversation with my colleague a few weeks ago, we had noted that you were interested in our Health and Safety Maintenance package but were waiting to discuss at council before making a decision. I am just writing to follow up on that and to ask if you wish to go ahead? Please find below the package summary details and I have attached an example report and the order form for your ease of reference.

Your play equipment is an investment and needs to be maintained to the highest standard in order to prolong its life, value and most importantly safety. For your peace of mind, our Sovereign Compliance Package offers a complete service for the inspection, reporting and essential maintenance of outdoor play equipment. This gives you complete visibility on the status of your equipment, notifying you early on of any concerns before they become larger issues.

No monthly subscription. A one-off onboarding fee of £399 + VAT covers you for 5 years, with 2 operational inspections per year

We will inspect both our own outdoor equipment **and** third party equipment

A comprehensive safety and maintenance report will be provided after each inspection

- Minor repairs on Sovereign equipment are included as standard
- Operational inspections are carried out by RPII-registered Inspectors
