**RE: ALTERATIONS TO THE HEATING SYSTEM AT THE MOORSIDE
ROOM KIRKBYMOORSIDE**

Dear Lisa

Thankyou for your enquiry regarding the electrical work detailed above.

Our fixed price quotation for the work is £5860.00 + VAT

As Approved contractors we adhere to the latest edition of the BS7671 wiring regulations and certification and notification will be provided where applicable.

The work to be carried out is as follows.

FUNCTION ROOM

- Replace 2 x existing radiators with 4 x ATC 1800watt WIFI programmable heaters.
- Install 1x ATC Wifi bridge for remote control of the heaters.
- Install 1x Airius Destrat fan central to the function room switched with the centre row of lights.

WC

- Replace the existing towel rails with 2 x ATC 500-watt WIFI programmable heaters.

ENTRANCE

- Replace the existing heater with 1 x ATC 500-watt WIFI programmable heaters.

STORE

- Provide a sunamp thermino 70 Eplus, installation kit and water conditioner – to be installed by other parties and connected to the electrical supply when fitted.

Provide a Minor electrical works certificate for the lighting circuits worked upon.

If you have any questions, please don't hesitate to call.

Kind Regards

Stewart
