Information for the Moorside Room Committee meeting on Wednesday 25 June 2025

Extract of Moorside Room Committee Minutes dated 4 November:

MR007 Housekeeping

a. Snag list of remedial repairs needed:

- Cover on electrical supply to the radiator in the entrance area loose (high priority) ✓
- Mould growing on the bottom of the wall to left side of entrance door from inside ✓ most likely due to corner of coir entrance mat being waterlogged. Matting replaced and mould spray administered
- # 3 top windows not closing ✓
- Door to store cupboard difficult to open. The door needs to be adjusted and the addition of a handle.
- Door to main room from foyer not opening fully when pulled back towards the entrance (Note: if underfloor heating is installed, doors will need altering, so maybe leave this for now) ✓
- Floor tiles need re-grouting – on hold pending any agreed works to the floor
- Paint around inside of door to main hall badly chipped – on hold pending completion of works to the property
- Installation of shelves and hooks in the storage room – n/a the area must be kept clear for stacking of storage items and chairs
- Paint on back wall scuffed by chairs– on hold pending completion of works to the property
- Holes in cover on #2 speakers ✓
- One cupboard door not closing ✓ due to a large plate which has subsequently been moved to a deeper cupboard
- Deep clean needed ✓
