8. Lewis Creighton Exhibition

b. I. To receive an update on progress of arrangements for the Lewis Creighton exhibition

Lewis Creighton Exhibition 31 July-2 August 2026

A good number of people have offered to lend paintings for the exhibition. Lewis's family have offered personal sketches, photographs and videos.

I had a meeting with John Creighton 2 weeks ago. He is very happy with our plans and has a number of very interesting items to loan, which will greatly enhance the exhibition. Several family members are coming to the exhibition including Lewis's grandchildren and great grandchildren.

Lewis lived in Kirkbymoorside for a time when his father was the manager of what became the National Westminster Bank on Market Place. The family lived above the bank before moving to Appleton.

Kirkbymoorside History Group will be lending a roller banner about Lewis and Louise Mudd has put John Creighton's book about his father into a ring binder so that people can look through it.

The book is out of print but with enough pre-orders it will be possible to reprint it so I am looking into that.

The official opening will take place at 2pm on 31 July. I would welcome suggestions as to who we should ask to perform the opening ceremony. I hope that as the Mayor, Joe will say a few words of welcome and introduction.

We will need at least one person to be in the Moorside Room throughout the three days to talk to visitors. If you are available to help for a few hours please let me know.
