

NORTH YORKSHIRE LOCAL PLAN UPDATE FOR PARISH, TOWN AND CITY COUNCILLORS – SCOPING CONSULTATION AND ENGAGEMENT STRATEGY CONSULTATIONS

The Policy team would like to invite you to an online Teams briefing to introduce the consultation the Council are holding on the Local Plan Scoping Consultation and draft Engagement Strategy.

The consultation will run from **Monday 26 October to Monday 7 December 2026**.

The briefing will set out what the consultations are about, run through how to access the consultation and provide information for you to share with your parishioners. It will also provide an opportunity for you to ask any questions in relation to the scoping consultation and engagement strategy.

These online briefings will take place over the following three dates (although the 3 sessions will be identical so there is only a need to attend one):

- **Tuesday 27th October – 10.30am -12:00 noon**
- **Wednesday 28th October – 6:30pm – 8.00pm**
- **Tuesday 3rd November – 2:00pm – 3:30pm**

Having these sessions over Teams enables us to ensure that every parish, town and city council has the opportunity to attend however due to the number of councils, could we ask that you limit the attendance to 2 representatives to each meeting.

This email is to enable you to circulate the dates and times amongst your respective councillors but the actual meeting links will be circulated nearer the time.

Kind regards,

Planning Policy Team

North Yorkshire Council
