We are based in the Moorside Club, now moving to the Moorside Club every Wednesday 9am-12 noon. We provide an array of activities such as "The Men in sheds group" a man only group (wood, glass etching, fishing, modelling etc.) Also it holds a craft group, a walking group as well as scrabble table and general safe haven to sit chat have a coffee and a snack with company and support. This group has approximately at present 20-25 people attending and becoming larger.</p> <p>This is an invaluable service that is thriving and a life saver to those that attend.</p> <p>We are requesting the support from the local Kirkbymoorside town council to be able to maintain this much needed attended group. Loneliness', isolation, mental health is all topical in these currant times. People are suffering from depression through being alone and isolated/lonely. We provide a safe place where people can access social activities, warmth, training, volunteering, learning activities, general support as well as a friendly face weekly to prevent suffering. It is of great benefit to the local people that we can offer local support without the need to travel incurring expensive costs, time and all dependant on local buses (if any).</p> <p>This group is facilitated by a paid worker as well as three volunteers.</p>
