

Scheme that helps with travel

Wheels to Work is a moped hire scheme run by Ryedale Community Transport to help those who have difficulty getting work, training or education because they have no access to suitable public or private transport. The scheme is administered by RYECAT which is based in Norton, Malton.

A weekly fee is charged. It includes a new helmet, protective jacket, gloves, high-vis vest, security chain & lock, comprehensive insurance, road tax and regular servicing. The day to day running costs—fuel, oil are the responsibility of the client as is the cleanliness and security of the moped. The loan is for a minimum of 3 months and at present has a limit of 9 months.

Applicants must be 16 or over, have a provisional driving licence and the daily journey must be a practical distance for a moped (about 12 miles per journey).

For further info contact David Williams, W2W Co-ordinator on 01653 699059 or email david@ryecat.com
You can apply online at www.wheels2work.co.uk/index.php/apply-online

The fleet of mopeds is fully maintained by authorised dealers.

For your diary

March

24 Maundy Thursday

Morning Worship Methodist Church 10.30am
Mass of The Last Supper St Chad's 7.30pm

Important news about your Library

In July 2015 North Yorkshire County Council decided that from 1st April next year (2017) Kirkbymoorside Library would become a Community Led Library. This means that NYCC will no longer provide staff or pay all the running costs of the building. To keep the Library open a management committee needs

to be formed to produce a business plan and then to establish a charitable group to run the library. This is a daunting task but we think it can be done! Several people have come forward to work on the project and in a few weeks time a questionnaire will be delivered to every household to gather your views about the library.

We want to know for example, when you would like the library to be open and what kind of events and facilities you would like to be provided there. We really want to hear your views so please look out for the questionnaire and fill it in so that you have your say about the future of our Library.

In the meantime if you would like to be involved as a library volunteer or a committee member please leave your name and contact details at the Library or telephone Chris Dowie on 01751 432305.

Please also take a look at our "Friends of Kirkbymoorside Library" Facebook page.

Events on May 1st 2016

Sunday 1st May will be a very exciting date in the events calendar as it brings to Kirkbymoorside the Annual 10K race, the Beadlam Tractor run (250 tractors over a 50 mile route) and the Tour de Yorkshire!!

Details

Details of the Tour de Yorkshire route can be accessed via <http://letour.yorkshire.com/stage-3/map> You can zoom into the map for more detail. At this stage, we understand that this year the whole route will be televised and that there will be a 20 vehicle sponsorship 'caravan' ahead of the race.

Details of timings for the day can be found on page 1.

Activities

There will be activities in the Town Centre and at the Sportsfield. The Town Council have arranged for a large screen in the centre of town to provide live streaming of the Tour de Yorkshire throughout the day and they have arranged for free car parking at the Town Farm Car park (vouchers must be displayed and these will be available from the Post Office and Library prior to the event). Additionally there will be face painters, stalls, tombolas etc. Down at the Sportsfield the Town Council has also arranged for two bouncy castles, children's entertainment and the provision of port-a-loos, a necessary convenience! The sports clubs and local groups will also be providing catering, stalls and fun activities for everyone to enjoy. Ryedale Auctioneers will be providing additional car parking and if you're a cycling and antique enthusiast (who isn't?) then this will be a great stopping point.

Getting into the spirit

Clearly a lot of planning goes into hosting a successful event day and bearing in mind there are three events to co-ordinate, the participation of the whole community is very welcome. Unless you're part of the event teams, we're not asking you to get involved with any organising, just join in by decorating your property with the Tour de Yorkshire colours, blue and yellow, or go with the themes of the day being running, cycling and tractoring!! Bear in mind there will be a lot of aerial coverage so if you want to get creative in your garden, rooftop etc then make a statement with blue and yellow planting. Thanks in advance to the In Bloom group whose colour themed planters and ribbons will be on display throughout the town. The production of bunting to decorate the event routes is in full swing with local stitch, sew and knitting groups all producing some fantastic decorations. If you can make your own bunting too that would be great!

More news?

There is a Facebook page for the event so if you have any additional activities that you want everyone to be aware of, details of parking, news about the event etc, please email Ange_ange_storey@hotmail.com

Kirkbymoorside In Bloom

The Kirkbymoorside In Bloom Open Garden event has become a very popular date in the diary and it is anticipated that this year will be no exception. The event has been extended from 11.00 am through to 5.00pm on Sunday, 5th June and this year the focus is on "Hidden!" One entrance fee covering all the gardens and a Cream Tea is just £5.00 per adult; children 16 and under are free. Tickets will be available on the day from just outside the former bank by Chisholm's Monument. Cream teas will be served in the lovely Quaker Meeting House gardens, West End from 1.00pm. Proceeds will go to ongoing planting and maintenance scheme that runs throughout the year. If you have a garden that you would like to share and enjoy, please do get in touch with Gaynor De Barr on 01751 430250. It is not too late to enter, and please do not think that your garden should be a Gardener's World lookalike! Visitors love the quirky, unusual and "lived in" gardens that so often tell a tale. If they are tucked away, behind a wall, down a less trodden lane, so much the better!

Meanwhile, do watch out for the In Bloom cake stall on Sunday, 1st May. The group is already upping their orders in anticipation of the exciting triple events of Tractor Rally, 10K Run and Tour de Yorkshire all on the same day and hoping for good appetites, fine weather and plenty of customers. Please support the In Bloom during these two events that put Kirkbymoorside on the map.

Teddy Bears' picnic, National Libraries day. Kirkby library.

Kirkbymoorside Town Council

The Town Clerk is based in the Library every Wednesday lunchtime and you can access Town Council services whenever the Library is open, (see below for opening hours.)

The full Council meets on the third Monday of each month except for August. Meetings are open to the public, start at 7.30pm and are held in Church House, High Market Place, Kirkbymoorside. Agendas are displayed in the office window, on the Town Council notice board and can be viewed via the website (see address below).

Parking in Kirkbymoorside

You will have read in previous issues of The Moorsider that since June 2013 the Town Council has been pursuing the possibility of short term parking restrictions in the town centre; the aim being to provide a greater turnover of spaces for customers of the town centre businesses. Whilst there are no restrictions in place the cobbled areas are entirely congested (often with rather creative parking) whilst the car park remains under utilised. Of course why would one choose to pay for a parking space when there is the chance (albeit slim) of finding a free space?

The short stay parking restrictions were proposed on the length of the cobbles on Market Place from Goody's hair salon to Kirkby News and the roadside parking from the former Natwest building to the top of the Memorial Hall, for 2 hours from 9am to 5pm, Monday to Saturday, with

no return within 1 hour. We now have confirmation that the restrictions have been approved by NYCC and we expect them to be implemented by Easter. The NYCC Highways Authority will publicise the Order prior to enforcement and there will be signage in place.

The introduction of short stay parking along this part of the Market Place will pose an inconvenience to some motorists, however long term and short term parking permits are available for use in the Town Farm car park, and all Ryedale District Council car parks.

Short stay permit – available from the Post Office

- Max. 2 hours parking on any Ryedale District Council off street car park.
- £50 per year (96p per week) for Ryedale residents, or £120 per year (£2.31 per week) for Non-residents.
- No restrictions on how many times a day or week

the permit may be used, but you must abide by the local car park bylaws. **Smartcard** – available from the Post Office and will soon be available from the Home Decorating Centre, Penny Bank Cafe and Something Special.

- Best value if you use the car parks less than once a week.
- A card payment system offering 50% discount on the cash price.
- Comes pre-loaded with £20 worth of parking at a cost of £10.

Long stay permit

- All day parking in any Ryedale District Council off street Long Stay car park.
- £200 per year or £50 per quarter (equivalent to £3.85 per week).

The presence of commercial vehicles occupying central parking spaces in Kirkbymoorside is frequently brought to the Council's attention. For example residents comment that it is inconvenient for Post Office vans to occupy spaces on the High Street,

they are however entitled to do so.

In an attempt to improve the parking situation in Kirkbymoorside please would you report any parking infringements to Scarborough Borough Council via email:

parking@scarborough.gov.uk or telephone 01723 232489. This applies to parking on single and double yellow lines, parking on the pavements and unauthorised cobbled areas and anywhere that poses a danger to pedestrians and other motorists. Details of the time of day, frequency etc. would be very helpful.

Please be aware that the Town Council has no authority on parking. NYCC Highways Authority regulates the cobbles and roadside parking and the Town Farm car park is owned and managed by Ryedale District Council.

Please direct any complaints or grievances regarding car parking to the appropriate authority.

Library Opening hours

Mon 10.00–7.00pm, Tues closed, Wed 10.00–5.00pm, Thurs 2.00–7.00pm, Fri 10.00–5pm, Sat 10.00–12.30pm
