

Parking

You will no doubt share the Town Council's frustration at the inadequate line markings on the cobbles on Market Place. After much persistence the Town Council have received a response from NYCC Highways explaining that due to changes in central government legislation concerning the Traffic Signs Regulations and General Directions there is no longer a requirement to have both signs and road markings in order to satisfy the criteria for enforcement. This means that the line markings will not be repaired.

On the matter of parking in the centre of town, motorists are reminded that it is not appropriate to stop vehicles on the road next to Pump Hill, regardless of whether or not you only intend to stop for a short time to pop into the newsagents! By parking here the line of sight for motorists exiting Tinley Garth is completely obscured and it is a great concern for the safety of pedestrians and motorists alike. Please would all motorists ensure that they drive and park responsibly. Please be reminded that there is 1 hour free parking available in the Town Farm

car park between 12 midday to 2pm. The Town Council has appealed to Ryedale District Council to re-programme the machines to enable this free hour to be added on to any period of paid parking and for the free hour to be available at any time during the day.

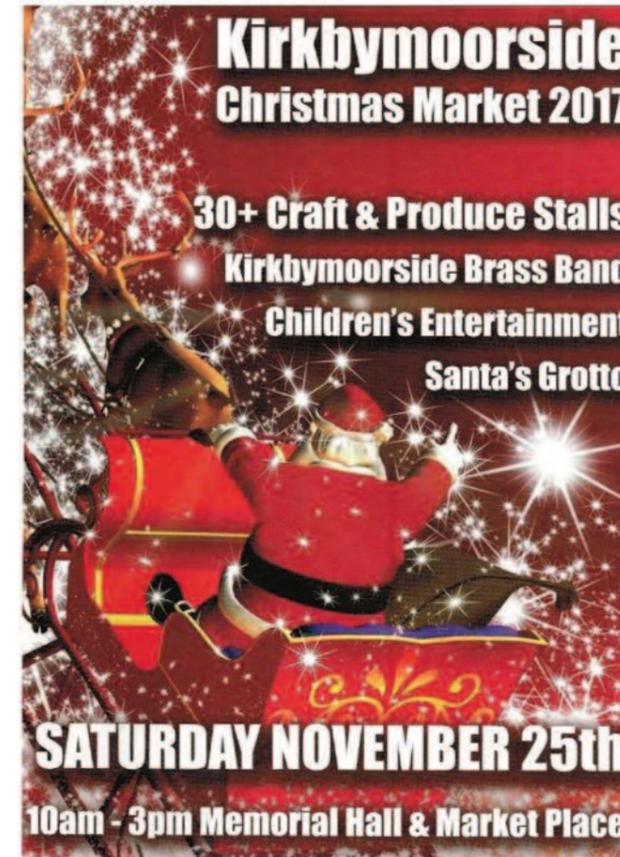

On the matter of Town Farm car park, the benefits of having a parking permit far outweigh the frustrations of having to find a free parking space. For as little as **£4 per week** you can park for as long as you like, any day of the week, in any long stay car park in Ryedale with a **long stay permit** (quarterly permits cost £52, annual

permits cost £208). For as little as **£1 per week** you can park for up to 2 hours anytime, any day, as often as you like (within the local car park bylaws) with a **short stay permit** (annual permits cost £52). Permits & Smart Cards are available from the Post Office.

Please be aware that the Town Farm car park is owned and regulated by Ryedale District Council. On-street parking is regulated by NYCC. The Town Council has no authority on parking and can only make representation on behalf of the residents to the relevant Authority.

Thanks in advance to James Holt for supplying the town and church Christmas trees, the team of volunteers who put up the town Christmas lights, and the individuals who very generously allow them to be connected in their own properties. This combined effort ensures that all the Christmas lights come to life!!

Memorial Hall Refurbishment

The Memorial Hall Committee have been working on the Business Plan and this is in its final stages. Once the Plan is completed the Committee will hold an open event and applications will be submitted for grant funding to contribute towards the cost of the refurbishment.

Kirkbymoorside Weekly Market

The Memorial Hall Committee are constantly looking to attract new stall holders to the market and would be grateful to any residents who might attend other local markets, if they could mention Kirkbymoorside's Market. If anyone is interested in having a market stall (or a table in the Memorial Hall) on Wednesdays, can they please contact Sheila Ridley on 07881 807198.

Kirkbymoorside welcomes Holme Lea Country Interiors

Holme Lea Country Interiors was launched in Kirkbymoorside by Claire Brackley in April, offering high quality interior items made in the UK. Additionally Claire is a stockist of the famous Abraham Moon and Sarah Hardaker range of fabric and accessories. The showroom is above Something Special, 1 High Market Place and is open on Monday, Wednesday and Friday between 9.30am and 2.30pm.

Something Special, R D Snowden Clocks and Holme Lea will be hosting a Christmas Shopping Event on Friday 8th December from 9.00am - 7.00pm. There will be discounts, wine, mince pies and a raffle with the proceeds going to Kirkbymoorside Primary School.

Christmas

The Christmas Market will be held on Saturday 25th November and as usual the Town Council has made arrangements with Ryedale District Council and pre-paid for all the parking spaces in Town Farm Car Park in order to offer free parking on this date. Vouchers will be available from the Library and Post Office and must be displayed.

There will be a little snowman tucked away in each of the shop windows so keep your eyes peeled and join in the Christmas Treasure Hunt.

On Friday 8th December the local shops and eateries will be staying open later than usual! Parking will be available **free of charge** from 4.30pm in Town Farm car park thanks to the Town Council with support from Ryedale District Council.

Don't miss your chance to vote for the Best Dressed Christmas Shop window!! Nominations can be made anytime from 25th November to 15th December at the library and the winner will be announced at the Town Council meeting on Monday 18th December.

Kirkbymoorside Repair Café

There are repair cafés all over the world, and the first Repair Café, held in The Moorside Room on Saturday 23rd September was an experiment to see how it worked here in Kirkbymoorside.

The beauty of a Repair Café is that it provides the opportunity to have items repaired, whilst at the same time offering an opportunity to learn new skills, socialise, save money and recycle! The members of the repair team are not professionals, but do their best using their own tools, and give advice if they can't actually repair something. A diverse range of items were either repaired, or given advice upon including repairs to electrical appliances, crockery and garden tools and clothing alterations.

The atmosphere was relaxed and fun. Friends chatted over coffee and biscuits, old friendships were rekindled and new ones made. Whenever a dead appliance sprang back to life there was a round of applause.

Donations were generously made, by some very happy people, towards the future work of the Kirkbymoorside Environment Group.

The next Repair Café will be held on Saturday 11th November from 10am to 2pm in The Moorside Room. Everyone is welcome and we look forward to seeing you then!

There are plans for regular Repair Cafés in 2018. Look out for the posters.

Kirkbymoorside Town Council

The full Council meets on the third Monday of each month except for August. Meetings are open to the public, start at 7.30pm and are held in Church House, High Market Place, Kirkbymoorside. Agendas are displayed in the Library, on the Town Council notice board and can be viewed via the website (see address below).

Old Road Play Area

You will notice that there is a new half basketball court at the Old road play area. The project has been funded by the Big Lottery in response to a letter sent to the Town Mayor by two Kirkbymoorside boys on behalf of the Children of Kirkbymoorside. A big "Thank you" to George Stead and Bailey Crossland for their detailed proposal which they presented to the Town Council. This enabled the Town Council to successfully apply for grant funding. Thanks also go to the children at Kirkbymoorside and Sinnington Primary Schools and Ryedale School, who supported the project and were involved in the consultation process.

The Town Mayor, Angus

Ashworth and Cllr Jill Wells visited Ryedale School on Monday 9th October to announce the awarding of the grant funding and congratulate Bailey Crossland and George Stead personally for initiating the project. The ground works were completed on 11th October and the line markings will be laid after a six week period to allow the court suitable time to settle.

It is hoped that this additional facility will be a popular asset to the Old road play area.

Town Councillors are keen to hear suggestions as to how the play areas in the town could be improved. Please email your ideas to town.clerk@kirkbymoorsid.gov.uk

Sports Field

Earlier in the year the Town Council awarded £2,096.51 to the Cricket Club to refurbish the home and away changing rooms. Since then the Town Council has awarded an additional

£2,169.99 to the Football Club for the cost of replacement flooring materials throughout the club house. The Football Club has also been awarded a further £4,145.05 of Kirkbymoorside and Ryedale S106 and Community Grant funds to cover the cost of electrical and building materials and labour charges for the full refurbishment of the club house. The works will be progressing over the coming months and the resultant upgrade to the facilities will be appreciated by all club members and visitors.

The Cricket Club run a senior team and a junior section at U11 and U13. The Football Club have both Senior and Junior teams. New players, parents, members and sponsors are always welcome.

Please visit the websites if you would like more details:

A170 Roundabout

You will be aware that £475,000 from the National Productivity Investment Fund has been allocated to Kirkbymoorside to promote economic growth which will be achieved by improving road safety and access to the industrial site on Ings Lane. This will include alterations to the A170 roundabout and the Town Council, together with Kirkbymoorside In Bloom have been liaising with the appointed managing agents WSP, to redesign the roundabout. It is anticipated that works will be carried out over winter. Unfortunately this means that there will not be any Christmas lights on the roundabout this year.

Library Opening hours

Mon 9.30–6.30pm, Tues closed, Wed 9.30–5pm, Thurs 9.30–5pm, Fri 9.30–5pm, Sat 9.30–12.30pm
