# Awards for All application checklist

It is important that you work through this checklist before you start completing the Awards for All application form.

This checklist has been designed to help you decide if Awards for All is right for your project or organisation, before you go to the time and expense of submitting an application. The checklist also helps us as it reduces the number of ineligible applications we need to process, which means we can keep our costs down and give more money out in grants.

We primarily ask these questions to understand the spread of our funding. There are no model answers. The information you give us will depend on what your project is for.
