Dear Lisa Bolland,

We are writing to thank you so much for helping Next Steps with your kind donation/grant. We have most gratefully received your payment of £1560.00 at will help us to support the people who attend the Kirkbymoorside drop in and who suffer with isolation, loneliness, Mental Health issues, also their families and carers.

This grant will support the 'Kirkbymoorside Hub' and continue to reduce the stigma of mental health, to make friendships, improved social inclusion, increased skills, including support mechanisms and a reduction of isolation and loneliness in Kirkbymoorside.

Please extend our gratitude to everyone in helping in the decision making of this grant, supporting Next Steps and helping us to support the people in the Ryedale Community who suffer with Mental Health issues, are isolated/lonely, their families and carers.

Thank you so much once again. This is so very kind!
