Subtotal No. 103281					72.60
TOTAL					3,233.58

19. To consider and agree the request of the local Rotary for the addition of an information panel to the 'Welcome to Kirkbymoorside' sign detailing 'Home of the Moors Gateway Rotary', the costs to be met by applicant

As you know, the local Rotary Club has relocated from Helmsley to Kirkbymoorside as its base and has recently had a name change approved – we are now Moors Gateway Rotary which better reflects our broad area of activity.

The Club would like to seek the Town Council's consent to adding a sign to the Welcome to Kirkbymoorside sign on the A170 as you approach from Pickering.

It would read:
HOME OF MOORS GATEWAY ROTARY
plus we should like to include the Rotary International logo.

We understand there is a cost to producing the sign and we undertake to meet that expense.

We, therefore, would be pleased if you could include our request in the agenda of the next Town Council meeting.

I am happy to provide further information about Rotary and about our local Club if that would be helpful to your Members.

Kind regards

Stephen Croft
President 2018-19
