Kirkbymoorside Town Brass Band Construction of New Hall - Manor Vale Lane, YO626EG

Dear Lisa

After a long process the Band are now in a position to start construction work on the new hall, work on site should begin within the next two weeks .

The new building, which will be a shared use facility, will provide a permanent home for the Kirkbymoorside Scouts, Cubs and Beavers and a combined rehearsal and concert hall space for the Kirkbymoorside Town Brass Band.

I would like to reassure you that we will take all reasonably practicable steps to minimise any inconvenience whilst the building work is being carried out. Manor Vale Lane will be kept clear of debris and full vehicular access along the roadway will be maintained at all times.

If you would like to discuss our proposals further please do not hesitate to contact me on 07860 600555 or you can email on johnandkath@btconnect.com

Kind regards
