8. Ryedale Car Parking Strategy

- a) To note that Ryedale District Council are appointing consultants to undertake development of a Ryedale Car Parking Strategy**
- b) To consider and agree a summary report of local parking issues to be submitted to the consultant**

Ryedale District Council are appointing consultants to undertake development of a Ryedale Car Parking Strategy. As an early stage of this work we would like the consultant to be able to engage directly with representatives of key stakeholders so that they can better understand the context and issues faced by each of the towns in relation to parking.

Howard Wallis
 Senior Specialist: Place
 Ryedale District Council, Ryedale House, Malton, YO17 7HH

9. To consider and agree proposals received from the Businesses of Kirkbymoorside for the wording of the information panel to be included on the 'Welcome to Kirkbymoorside' sign promoting the local businesses

Ideally we would like to be clear Why and What we are advertising.

Why - To encourage people to come up into the town and Shop in their Local area at independent businesses.

What - Kirkbymoorside has various Shops and businesses to offer and serve customers.

We have decided that 2 signs would give optimum coverage. However we are aware that the Council has only offered one board at this time. Would you consider 2 boards please?

We have produced 2 Advertising Options.

Option 1 Advertising Sign with 2 boards

Board 1

SHOP LOCAL.

Board 2

SHOPS, CAFES, HOTELS, PUBS & SERVICES

Option 2 Advertising Sign with 1 board

Shop Local. Shops-Cafes-Services

If the council deem only 1 board, please go with Option 2

Thank you for all your help and support.

Businesses of Kirkbymoorside

11. A170 Roundabout Maintenance contract and Maintenance of Manor Vale Woodland & Grounds Maintenance (Cemetery and Play Area) contract

- a) **To note that the contract for maintenance of the A170 roundabout expires on 31 March 2019**
- b) **To consider and agree to amend the terms of the contract specified in Section 4 - Contract Conditions to a rolling contract in accordance with the criteria stipulated in term 1.3**
- c) **To consider and agree to apply the same amendments to the contract for Maintenance of Manor Vale Woodland & Grounds Maintenance (Cemetery and Play Area) with effect from 1 April 2019**

Extract from Maintenance of Roundabout Contract Dated 1 April 2016

SECTION 4 - CONTRACT CONDITIONS

Current Terms:

- 1.1 Subject to 1.1 and 1.2 below the Contract shall commence on 1 April 2016 and terminate on 31 March 2018 ("the Contract Term").
- 1.2 Either the Council or the Contractor may, at any time before 1 February 2017, give notice to terminate the contract on 31 March 2017. No reason need be given for such notice.
- 1.3 The Contract will be for a two year period commencing on 1 April 2016; however, the Council has the power to extend the contract for a further year subject to it being satisfied that the Contractor has provided the required Service to its satisfaction. The contract will be adjusted by RPI to reflect the increase in inflation between 1 April 2016 and 1 April 2018. No other adjustment or renegotiation of the price will therefore be possible for the extended period except, of course, if there are changes to the specification.

Proposed revision to terms:

- 1.1 Subject to 1.1 and 1.2 below the Contract shall commence on 1 April 2019 and will be a rolling contract.
- 1.2 Either the Council or the Contractor may, at any time give two months notice to terminate the contract. No reason need be given for such notice.
- 1.3 The Contract will be a rolling contract subject to the Town Council being satisfied that the Contractor has provided the required Service to its satisfaction. The contract will be adjusted by RPI to reflect the increase in inflation in April of each year. No other adjustment or renegotiation of the price will therefore be possible for the extended period except, of course, if there are changes to the specification.
