Dear Councillors

It has come to our attention that the lease agreement we have with the Town Council expires in March 2021.

We would very much like to extend the lease for a 35 years period.

The reason for 35 years is as follows:

- The club has a significant number of teams at present from Saturday club up to senior level, which is a great community assist which the committee would like to build on.
- When applying for grants, organisations require a minimum lease of 25 years, which is putting us at a disadvantage of securing funding bids.
- The committee would like to continue to increase the facilities and infrastructure of the club house and a longer lease would help validate this.

We very much hope you will be able to support this request.

If you have any questions, please do not hesitate to contact us.

Yours faithfully
