

The Community Team

RYEDALE
DISTRICT
COUNCIL

About the team...

The Community Team provides a link between the Council, the community, Elected Members, Town and Parish Councils and partner agencies to improve neighbourhoods and swiftly address issues that impact on citizens' quality of life.

The Team provides support with:

- Antisocial behaviour
- Early intervention and prevention
- Community capacity-building
- Community grants
- Town and Parish liaison
- Environmental crime
- Enforcement
- Markets
- Health and well-being
- Ryecare Lifeline
- Other frontline services including housing, health, environmental and planning

Community Link Officers

Each Community Link Officer is assigned to an area of the district, covering a number of wards. They undertake the initial investigation of any community issue and will aim to resolve the matter at the first point of contact. Community Link Officers work collaboratively with partner agencies, and will escalate complex issues to specific service areas as appropriate to achieve the best outcomes for citizens.

Civil Enforcement

The team also includes Civil Enforcement Officers to tackle issues such as fly tipping, graffiti, noise, littering, dog fouling, stray dogs and abandoned cars. The COVID Marshall provides support and guidance to citizens and businesses as part of the local coronavirus response.

Email Community Link Officers at: communityteam@ryedale.gov.uk

Report an enforcement issue at: civilenforcement@ryedale.gov.uk
