If your Council has any observations to make on it, I would be pleased to receive them by the **15 June 2021**. In exceptional cases, where you may need more time and there is a good reason for this, please let me know.

Failure to meet this deadline may jeopardise the chances of your comments being considered when the application is determined. I therefore urge you to respond within the time prescribed. If I receive neither your written observations nor a request for more time, then I will assume that your Council has no observations it wishes to have taken into account when the application is determined.

I should emphasise that all replies are public documents, and the contents of any letter which you send to me in connection with this consultation will be available for inspection by the applicant, the press and by any member of the public at our reception in Ryedale House or by searching the online planning application register on our website www.ryedale.gov.uk

As this is a householder application, in the event of an appeal against a refusal of planning permission, which is to be dealt with on the basis of representations in writing, any representations made about this application will be sent to the Secretary of State, and there will be no further opportunity to comment at appeal stage.

Yours sincerely
