#### **P18003 MINUTES & MATTERS ARISING**

- a) The minutes of the Planning Committee Meeting held on 16<sup>th</sup> April 2018 were **approved** and **signed**.
- b) There were no matters arising.

**P18004 PUBLIC SESSION** - to allow members of the public to make representations, ask questions and give evidence in respect of any items of business.

**P18005** To review planning applications:

- a) 17/01455/FUL | Change of use of farmstead to form part livery stables, part holiday accommodation and part wedding venue, to include erection of a 1 bedroom timber chalet, a timber yurt/BBQ hut and raised decking, siting of a 2 bedroom static caravan and a shepherds hut and use of field for camping and parking (retrospective application) Access amended | Deep Dale Farm House Village Street Keldholme Kirkbymoorside YO62 6LE

The Planning Committee agreed that whilst the change of access satisfies concerns raised previously in relation to ingress and egress onto Gray Lane and the associated impact on neighbouring properties, it will have the effect of displacing the same concerns to the people who live near the new proposed access.

The concerns raised by members of the public who reside in proximity to the site are fully supported.

The Planning Committee would like to support local businesses and development, however, feel that they are unable to on this occasion and reiterate the following reasons:

- i. The new proposed access, whilst preferable to the former access, still poses safety concerns due the proximity to the bend in the road which restricts visibility. Furthermore, the volume of vehicular access is likely to result in considerable inconvenience to the neighbouring properties who will be affected by the associated noise, lights of vehicles shining directly

into their property at all hours of the night and subsequent loss of privacy. The issues previously raised in association with the access and the associated impact on neighbouring properties have merely been displaced and not satisfied by the new proposed access.

- ii. Taking into account the refusal of Planning Application 13/01467/OUT at the nearby property of Sunnycroft for reasons of it being outside the development limit, situated in an area of high landscape value and area of special advert control, these characters are shared by this application which is for development on a considerably larger scale than the aforementioned application and has greater implications of access and impact to the neighbouring properties.
- iii. The development has resulted in a significant adverse impact on the existing amenities of neighbouring occupiers by virtue of the scale and over bearing impact in relation to neighbouring properties. As such it is contrary to the provisions of Policy SP20 of the Ryedale Plan – Local Plan Strategy, and the NPPF.

The Planning Committee reiterates concern that a development of this scale has been afforded the opportunity to be established in the absence of permission and that this application has been submitted retrospectively.

Additionally a member of the public raised concern as to whether the appropriate licences were in place for all events and the need for monitoring to ensure compliance.

- b) 18/00275/FUL | Change of use from shop (Use Class A1) and outbuilding to form 1no. 2 bedroom flat and 1no. 1 bedroom flat with attached garage. | 10A West End Kirkbymoorside YO62 6AF
