

(FOR OFFICE USE) SITE REFERENCE NUMBER:

Address of site

Postcode

Grid references (if possible)

You must provide a clearly annotated map of the site in question- site outlined clearly with the access to any roads identified. If you are unable to attach the map, you will be unable to send the form to us. You can do this by using the **'Upload & Attach File'** button.

Other documents referenced within the form can be attached to evidence your responses and whilst this is welcomed, this is not a mandatory requirement in order to submit the form.

How many landowners are there?

Landowner 1

Landowner Full name:

Landowner Address:

Postcode

Landowner email address:

Landowner 2

Landowner Full name:

Landowner Address:

Postcode

Landowner email address:

Please provide confirmation from each landowner that they are in agreement with the proposed site inclusion and for the proposed use. Please ensure that they consent to providing this and their contact details (Please provide this on the extra page). You can do this by using the **'Upload & Attach File'** button.

Has the site been marketed for sale? Yes No

Is the landowner a Developer? Yes No

Does a developer have an 'option' on the land? Yes No

Agent's full name

Agents address

Postcode

Agent's email address

Where is the site in relation the existing Development Limits of the Settlement?

Immediately adjacent.

Total site area in Hectares Ha:

0.09

What is the land currently used for?

Not in use / vacant

When will any current use cease?

05/07/2021

What is its proposed use?

Employment

Please specify

If it is for housing, how many units do you anticipate your scheme will be able to deliver?

Can the site achieve an appropriate density to achieve the most efficient use of the land, whilst still considering any local design context?

Yes No

When is the land anticipated to be available?

0-5 years

Do you have a developer interested in/contracted to your site?

Yes No

Please provide a contact:

Would you consider (through consultation) the sub-division of the site for a smaller area, if this was considered to be a better response to the site's circumstances?

Yes No

Would you be prepared to release land for other types of housing delivery (such as self-build)?

Yes No

Are you aware of any restrictive covenants on the land or legal agreements such as ransom strips?

Yes No

If so, please outline how these can be addressed/overcome?

Is the site capable of delivering Affordable Housing as set out in the current Ryedale Plan Policy SP3 (as amended in line with national planning guidance)?

Yes No

Would you be willing to consider your site for solely affordable housing delivery?

Yes No

What provision has been made for Ryedale's elderly population, including a 5% allowance for bungalows on sites of 50 dwellings or more?

N/A

Is your site previously developed land?

Does not include gardens or buildings in agricultural use (as per the NPPF definition)

Yes No

Is it subject to a land contamination survey?

Yes No

Please provide electronic copies of this. You can do this by using the 'Upload & Attach File' button.

What is the nearest public transport to the site? Please provide details

A170 Keldholme Lane End

Is the site serviced by any utilities	Water	<input checked="" type="checkbox"/>	Sewage	<input checked="" type="checkbox"/>
	Electricity	<input checked="" type="checkbox"/>	Gas	<input checked="" type="checkbox"/>
	Fibre broadband	<input type="checkbox"/>	Community heating	<input type="checkbox"/>
	None of these	<input type="checkbox"/>		

Has your site being subjected to any surveys concerning:

- 1) Archaeology Yes No
When was this undertaken?
- 2) Ecology (provision of biodiversity net gains) Yes No
When was this undertaken?
- 3) Highways – Transport Assessment or Transport Statement Yes No
When was this undertaken?
- 4) For sites over 1ha or over 80 houses – has a Travel Plan been produced? Yes No
When was this undertaken?
- 5) Geotechnical survey (on unstable/sloping land) Yes No
When was this undertaken?
- 6) Flood risk Assessment for sites over 1ha Yes No
When was this undertaken?
- 7) Air Quality (Malton and Norton) Yes No
When was this undertaken?
- 8) Noise (if adjacent to a noise emitting use) Yes No
When was this undertaken?
- 9) Drainage – following the hierarchy of drainage – and including the findings of a percolation test Yes No
When was this undertaken?
- 10) Concerning any heritage assets (such as Listed buildings or Conservation Areas) in or adjacent to the site has a statement of significance been prepared Yes No
When was this undertaken?

Please provide electronic copies of any survey(s) that your site has been subjected to. You can do this by using the **'Upload & Attach File'** button.

Is the site adopting the Energy Hierarchy of the Local Plan Strategy? In so far as:

- Minimising energy usage;
- Using on-site renewable energy;
- Using decentralised low carbon energy delivery on the site;
- Sustainable building design and delivery;

Yes No

What build standards are proposed to be met in relation to this?

Will the development provide private e-vehicle charging infrastructure?

Yes No

Will the eventual development comply with the national space standards?

Yes No

What forms of green and blue infrastructure will the site incorporate, and what will be their purpose (recreational/climate change resilience)?

N/A

Would the development impact on protected and unprotected trees, hedgerows and ancient woodland?

Yes No

Has an arboricultural assessment been undertaken?

Yes No

Please provide electronic copies of any this. You can do this by using the **'Upload & Attach File'** button.

How would the site deliver biodiversity net gains?

N/A

How does the site respond to the presence of any public rights of way?

N/A

Commercial sites:

Will the site promote the viability and vitality of the Principal Town or Local Service Centre?

Yes No

What type of premises will be proposed on the site:

Expansion for existing businesses

Will the development be capable of meeting the usual range of site-specific s106 requirements, such as on-site open space and affordable housing as set out in the Ryedale Plan- Local Plan Strategy?

Yes No

If not, why?

N/A

Will the development deliver the requirements of the Ryedale CIL Charging Schedule?

Yes

No

If not, why?

Extra Page

Please use the space below to tell us anything else you have not been able to provide details for on the form.

THE SITE PROPOSED IS AN UNUSED BROWNFIELD SITE SITUATED WITHIN THE BOUNDARY OF THE KIRKBY MILLS INDUSTRIAL ESTATE. PRIVATE ACCESS ROADS AND SERVICES (GAS, WATER AND ELECTRIC) ARE ALREADY IN EXISTENCE AND CONSEQUENTLY FACILITATING ITS DEVELOPMENT FOR LIGHT INDUSTRIAL USE WILL HAVE NEGLIGIBLE IMPACT UPON THE ENVIRONMENT AND/OR THE SURROUNDING AREA.

PERMITTING DEVELOPMENT OF THIS BROWNFIELD SITE WILL ENABLE THE CURRENT OWNERS RACK SYSTEMS ENGINEERING LTD (WHO HAVE BEEN RESIDENTS ON THE KIRKBYMILLS INDUSTRIAL ESTATE FOR IN EXCESS OF 30 YEARS) TO BUILD A DESPERATELY NEEDED WAREHOUSING FACILITY AND THEREBY FURTHER EXPAND THEIR BUSINESS ACTIVITIES UPON THE ESTATE AND CREATE ADDITIONAL EMPLOYMENT FOR LOCAL PEOPLE.

Site Address: Wits End, Kirkby Mills Industrial Estate, Kirkbymoorside, York, YO62 6PG

Grid Ref: SE 70269 85492
